RESIDENT

1. For the purposes of this Agreement, the term "resident of a Contracting State" means any person who, under the laws of that State, is liable to tax therein by reason of his residence, place of management or any other criterion of a similar nature. But this term does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 an individual is a resident of both Contracting States, then his status shall be determined as follows:

- (a) he shall be deemed to be a resident of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident of the State with which his personal and economic relations are closer (centre of vital interests);

Article 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term "permanent establishment" means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

2. The term "permanent establishment" includes especially:

- (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;

5. An enterprise of a Contracting State shall be deemed to have a permanent establishment in the other Contracting State if it carries on supervisory activities in that other State for more than six months within a calendar year in connection with a construction, installation or assembly project which is being undertaken in that other State.

6. A person (other than a broker, general commission agent or any other agent of an independent status to whom paragraph 7 applies) acting in a Contracting State on behalf of an enterprise of the other Contracting State shall be deemed to be a permanent establishment in the first-mentioned State, if:

- (a) he has, and habitually exercises in the first-mentioned State, an authority to conclude contracts in the name of the enterprise, unless his activities are limited to the purchase of goods or merchandise for the enterprise;
- (b) he maintains in the first-mentioned State a stock of goods or merchandise belonging to the enterprise from which he regularly fills orders on behalf of the enterprise.

7. An enterprise of a Contracting State shall not be deemed to have a permanent establishment in the other Contracting State merely because it carries on business in that other State through a broker, general commission agent or any other agent of an independent status, where such persons are acting in the ordinary course of their business.

However, when the activities of such an agent are devoted wholly or almost wholly on behalf of that enterprise, he shall not be considered an agent of an independent status if the transactions between the agent and the enterprise were not made under arm's length conditions.

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

Article 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property situated in the other Contracting State may be taxed in that other State.
2. For the purposes of this Agreement, the term "immovable property" shall be defined in accordance with the laws of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, oil or gas wells, quarries and other places of the extraction of natural resources including timber or other forest produce. Ships, boats and aircraft shall not be regarded as immovable property.
3. The provisions of paragraph 1 shall apply to income derived from the direct use, letting, or use in any other form of immovable property.
4. The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of professional services.

Article 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.
2. Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.
3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses including executive and general administrative expenses, which would be deductible if the permanent establishment were an independent enterprise, insofar as they are reasonably allocable to the permanent establishment, whether incurred in the State in which the permanent establishment is situated or elsewhere.

4. If the information available to the competent authority is inadequate to determine the profits to be attributed to the permanent establishment of an enterprise, nothing in this Article shall affect the application of any law of that State relating to the determination of the tax liability of a person by the exercise of a discretion or the making of an estimate by the competent authority, provided that the law shall be applied, so far as the information available to the competent authority permits, in accordance with the principle of this Article.
5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.
6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.
7. Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

Article 8

SHIPPING AND AIR TRANSPORT

1. Profits derived by an enterprise of a Contracting State from the operation of ships or aircraft in international traffic shall be taxable only in that state.
2. Income of an enterprise of one of the Contracting States derived from the other Contracting State from the operation of ships in international traffic may be taxed in that other Contracting State, but the tax chargeable in that other State on such income shall be reduced by an amount equal to fifty per cent of such tax.
3. Paragraphs 1 and 2 shall also apply to the share of the profits from the operation of ships or aircraft derived by a resident of a Contracting State from the participation in a pool, a joint business or an international operating agency.

Article 9

ASSOCIATED ENTERPRISES

Where

- (a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State, and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

Article 10

DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.
2. Dividends paid by a company which is a resident of Austria to a resident of Malaysia may be taxed in Austria in accordance with the laws of Austria but if the recipient is the beneficial owner of the dividends the tax so charged shall not exceed:
 - (a) 5 per cent of the gross amount of the dividends if the beneficial owner is a company (other than a partnership) which holds directly at least 25 per cent of the capital of the company paying the dividends;
 - (b) 10 per cent of the gross amount of the dividends in all other cases.
3. Dividends paid by a company which is a resident of Malaysia to a resident of Austria who is the beneficial owner thereof shall be exempt from any tax in Malaysia which is chargeable on dividends in addition to the tax chargeable in respect of the income of the company. Nothing in this paragraph shall affect the provisions of the Malaysian law under which the tax in respect of a dividend paid by a company which is a resident of Malaysia from which Malaysian tax has been, or has been deemed to be, deducted may be adjusted by reference to the rate of tax appropriate to the Malaysian year of assessment immediately following that in which the dividend was paid.
4. The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.
5. The provisions of paragraphs 1, 2 and 3 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such a case the provisions of Article 7 shall apply.

6. Where a company which is a resident of a Contracting State derives income or profits from the other Contracting State, that other State may not impose any tax on the dividends paid by the company to persons who are not residents of that other State, or subject the company's undistributed profits to a tax on undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of income or profits arising in such other State.

Article 11
INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of the interest, the tax so charged shall not exceed 15 per cent of the gross amount of the interest.

3. Notwithstanding the provisions of paragraph 2, interest to which a resident of Austria is beneficially entitled shall be exempt from Malaysian tax if the loan or other indebtedness in respect of which the interest is paid is an approved loan as defined in section 2 (1) of the Income Tax Act, 1967 of Malaysia.

4. Notwithstanding the provisions of paragraphs 2 and 3, the Government of a Contracting State shall be exempt from tax in the other Contracting State in respect of interest derived by the Government from that other State.

5. For the purposes of paragraph 4, the term "Government":

(a) in the case of Malaysia means the Government of Malaysia and shall include:

(i) the governments of the States;

(ii) the local authorities;

(iii) the statutory bodies; and

(iv) the Bank Negara Malaysia;

(b) in the case of Austria means the Republic of Austria including the political subdivisions and local authorities of the Republic of Austria and shall also include the "Osterreichische Kontrollbank AG".

6. The term "interest" as used in this Article means income from debt claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures.

7. The provisions of paragraphs 1, 2 and 3 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such a case the provisions of Article 7 shall apply.

8. Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a statutory body thereof, or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the State in which the permanent establishment is situated.

9. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest paid, having regard to the debt claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

Article 12

ROYALTIES

1. Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

2. However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the recipient is the beneficial owner of the royalties, the tax so charged shall not exceed:

(a) 10 per cent of the gross amount of the royalties referred to in paragraph 3(a);

(b) 15 per cent of the gross amount of the royalties referred to in paragraph 3(b).

3. The term "royalties" as used in this Article means payments of any kind received as a consideration for:

- (a) the use of, or the right to use, any patent, trade mark, design or model, plan, secret formula or process, or any copyright of scientific work, or for the use of, or the right to use, industrial, commercial, or scientific equipment, or for information concerning industrial, commercial or scientific experience;
- (b) the use of, or the right to use, cinematograph films, or tapes for radio or television broadcasting or any copyright of literary or artistic work.

4. The provisions of paragraph 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment. In such a case the provisions of Article 7 shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a statutory body thereof, or a resident of that State. Where, however, the person paying such royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the obligation to pay the royalties was incurred, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the State in which the permanent establishment is situated.

6. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties paid, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such a case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

2. Where income in respect of personal activities exercised by an entertainer or an athlete in his capacity as such accrues not to the entertainer or athlete himself but to another person, that income may, notwithstanding the provisions of Articles 7 and 14 be taxed in the Contracting State in which the activities of the entertainer or athlete are exercised.

ELIMINATION OF DOUBLE TAXATION

1. In the case of Malaysia, double taxation shall be avoided as follows:
 - (a) Subject to the laws of Malaysia regarding the allowance as a credit against Malaysian tax of tax payable in any country other than Malaysia, Austrian tax payable under the laws of Austria and in accordance with this Agreement by a resident of Malaysia in respect of income derived from Austria shall be allowed as a credit against Malaysian tax payable in respect of that income. Where such income is a dividend paid by a company which is a resident of Austria to a company which is a resident of Malaysia and which owns not less than 25 per cent of the voting shares of the company paying the dividend, the credit shall take into account Austrian tax payable by that company in respect of its income out of which the dividend is paid. The credit shall not, however, exceed that part of the Malaysian tax, as computed before the credit is given, which is appropriate to such item of income.
 - (b) For the purpose of sub-paragraph (a) the term "Austrian tax" does not include the tax on commercial and industrial enterprises computed on a basis other than profits.
2. In the case of Austria, double taxation shall be avoided as follows:
 - (a) Where a resident of Austria derives income which, in accordance with the provisions of this Agreement may be taxed in Malaysia, Austria shall, subject to the provisions of paragraphs (b) and (c), exempt such income from tax.  - (b) Where a resident of Austria derives items of income which, in accordance with the provisions of paragraph 2 of Articles 8, 11 and 12 and of Article 21 may be taxed in Malaysia, Austria shall allow as a deduction from the tax on the income

of that resident an amount equal to the tax paid in Malaysia. Such deduction shall not, however, exceed that part of the tax, as computed before the deduction is given, which is attributable to such items of income derived from Malaysia. The same applies to dividends [other than those dealt with in subparagraph (a) above] falling under paragraph 3 of Article 10 and to interest falling under paragraph 3 of Article 11.

- (c) Where in accordance with any provision of this Agreement income derived by a resident of Austria is exempt from tax in Austria, Austria may nevertheless, in calculating the amount of tax on the remaining income of such resident, take into account the exempted income.

3. For the purpose of subparagraph (b) of paragraph 2, the term "tax paid in Malaysia" shall be deemed to include:

- (a) in respect of dividends received from a company which is a resident in Malaysia, any amount which would have been payable as Malaysian tax but for an exemption or relief from tax granted under the Malaysian laws relating to incentives for the promotion of economic development in Malaysia which were in force on the date of signature of this Agreement or any other provisions which may subsequently be introduced in Malaysia in modification of or in addition to those laws so far as they are of a substantially similar character. However, any deduction from Austrian tax granted in accordance with paragraph 3 shall not exceed an amount equal to 40 per cent of the gross amount of the dividends;
- (b) in the case of interest to which paragraph 3 of Article 11 applies, an amount not exceeding 15 per cent of the gross amount of the interest in respect of which Malaysian tax would have been payable but for the exemption granted in accordance with that paragraph.

Article 23

NON-DISCRIMINATION

Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith, which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

2. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

3. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.
4. Nothing in this Article shall be construed as obliging:
 - (a) a Contracting State to grant to individuals who are residents of the other Contracting State any personal allowances, reliefs and reductions for tax purposes on account of civil status or family responsibilities which it grants to its own residents;
 - (b) Malaysia to grant to nationals of Austria not resident in Malaysia those personal allowances, reliefs and reductions for tax purposes which are by law available on the date of signature of this Agreement only to nationals of Malaysia not resident in Malaysia.
5. Nothing in this Article shall be construed so as to prevent either Contracting State from limiting to its nationals the enjoyment of tax incentives designed to promote economic development in that State provided that such tax incentives have not been granted to nationals of a third State. 6. In this Article, the term "taxation" means taxes to which this Agreement applies.

Article 24

MUTUAL AGREEMENT PROCEDURE

1. Where a resident of a Contracting State considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may, notwithstanding the remedies provided by the taxation laws of those States, present his case to the competent authority of the State of which he is a resident or, if his case comes under paragraph 1 of Article 23, to that of the State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Agreement.
2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Agreement.
