In such a case the provisions of Article 7 shall apply.

5. Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, statutory body or a resident of that State. Where, however, the person paying such royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment then such royalties shall be deemed to arise in the State in which the permanent establishment situated.
